

TERMS & CONDITIONS

INTRODUCTION

These terms of service apply to the use of the Miner US mining service, the website and the service are the property of Miner US.

They set out how the miner-us.com hosted cryptocurrency mining service works and describe any associated rights and responsibilities. The Miner US terms of service and any instructions, guidance and similar information found on the website (from time to time) also apply to how you use the Miner US mining service (together with the "agreement"). By using the website and/or the service, you agree to these terms of service; if you do not agree, do not use the site and/or the service.

Miner US reserves the right, at its sole discretion, to amend, change, modify, add or remove portions of these terms of service, at any time. It is your responsibility to check these terms periodically for changes. Your continued use of the website and/or the service following the published updates to the terms will mean that you accept and agree to the changes. as long as you agree and comply with these terms, Miner US grants you a personal, non-exclusive, non-transferable, limited privilege to enter and use the website and the service.

1. GENERAL

These Terms apply to users of the Miner US Platform, which are provided to you by Miner US Pte Ltd, organized and existing in accordance with the law, hereinafter referred to as " Miner US ",as well as "we" or "us".

2. ACCEPTANCE

By using the Miner US Platform, you represent and warrant that:

- Have at least the Minimum Age and the ability to enter into a binding contract;
- They were not previously suspended or removed from the platform;
- Have full authority and authority to enter into this agreement without violating any other agreement to which you are a party;
- Do not facilitate, perform, undertake, do not participate, do not help or incite to any illegal activity through your relationship with us, through your use of the Miner US platform;
- Will not use the Miner US platform if any applicable laws in your country prohibit you from doing so in accordance with these Terms.
- Newly registered users will receive 10 USDT worth of hashing power upon completion of the registration process. Miner US also offers 150 days and exclusive lifetime plans with a variety of mining power.
- Do not perform multi - account action.
- Minimum deposits are 5 USDT and minimum withdrawals are 10 USDT.

We reserve the right to terminate your access to the Miner US Platform for any reason and at our sole and absolute discretion. Use of the Miner US Platform and the Mining Services is void where prohibited by applicable law.

Depending on your country of residence, registration or registered office, you may not be able to use all Miner US platform features or services. You are responsible for complying with the rules and laws in your country of residence and / or the country from which you access the Miner US platform.

3.RESPONSIBILITY

Miner US and their respective officers, employees or agents will not be liable to you or anyone else to the maximum extent permitted by applicable law for any loss of any kind, including but not limited to direct, indirect, incidental, special or consequential damages (including, but not limited to, lost profits, trading losses or losses that result from the use or loss of use of Miner US Services), even if Miner US has been warned of the possibility of such damages or losses, including, without limitation, from using or attempting to use the Miner US Platform and Mining Services, or other related websites or services.

Miner US is not responsible for any compensation, indemnity or damage arising out of: (i) your inability to use the Miner US Platform and the Mining Services, including but not limited to any termination or suspension of the Miner US Platform or these Terms, power outages, maintenance, defects, system failures, errors, omissions, errors, defects, viruses, delays in operation or transmission, or any malfunction, (ii) the cost of purchasing replacement goods or services, (iii) any investment of yours, expenses, (iv) your dependence on any information received from Miner US, (v) Force majeure, communication failure, theft or other interruptions, or (vi) any unauthorized access, alteration, deletion, destruction, damage, loss or failure to store any data, including records, private key or other credentials associated with the Miner US Platform and the Mining Services.

4.KYC PROCEDURE

Miner US appropriately applies AML / CTF and security measures to carefully detect and prevent any malicious or unlawful use of Miner US Services, or use that is strictly prohibited by these Terms, which is deemed to be your agreement to provide the necessary personal information to verify your identity. Security measures include the KYC procedure, which aims to identify the identity of an individual user or organization.

We may ask you to complete this procedure before enabling some or all of the Miner US platform's features and services. The KYC procedure can be applied as a security measure when:

- Changing the email address associated with your Miner US account.
- Gaining access to all or part of the Miner US Services, and related services or any part thereof, if they have been disabled and activation of your Miner US account if it has been deactivated due to its inactivity and / or security or for other reasons.

5.LICENSE

The user shall not maliciously register the Miner US website account in any way, including but not limited to registering multiple accounts for profit, speculation, cash out, reward, etc., and shall not steal other user accounts. If the user violates the above provisions, Miner US has the right to directly take all necessary measures, including freezing of violating accounts for 3 months and may cancel the benefits obtained from violations, and even prosecuting the user for legal responsibility through litigation.

6.HASHING POWER TRANSACTIONS

Miner US may at any time and in its sole discretion (i) refuse any hashing order submitted or submitted, (ii) cancel an order or part of an order prior to completion, (iii) impose limits on the allowed order amount or on the hashing power provided or (iv) impose any other conditions or restrictions on your use of the Miner US Platform without prior notice. For example, Miner US can limit the number of open orders you can place, or limit the type of hashing power settings and mining algorithms supported, or Miner US can restrict ordering or providing hashing power from specific locations.

Please refer to the Miner US platform for more information on terminology, definitions and descriptions of hashing power transactions, order types, ordering, ordering procedure, ordering rules, and other restrictions and limitations on hashing power transactions. Miner US reserves the right to change any transactions, definitions, descriptions, order types, procedures, rules, restrictions and restrictions at any time for any reason.

7. RIGHTS AND OBLIGATIONS

In the event of a dispute with you, Miner US must prove that the disputed Miner US service was not affected by a technical or other failure. You will have the opportunity to check at any time, subject to technical availability, transactions, statistics and the available balance of funds stored in the Miner US wallet through access to your Miner US Account.

You may not receive or attempt to obtain any material or information by any means, deliberately available or made available to you or the public through the Miner US platform or the Mining Services.

We may, in our sole discretion, at any time, for any reason or without prior notice (i) terminate all rights and obligations between you and Miner US arising from these Terms, (ii) suspend your access to all or part of the Miner US Services. Miner US and other services or parts thereof, as well as delete or deactivate your Miner US account and all related information and files in such account, suspend or discontinue, temporarily or permanently, any part of the Miner US platform or (iv) provide enhancements or improvements to the features and functionality of the Miner US platform, which include fixes, bug fixes, updates, updates and other modifications. Any such change may change or remove certain portions, features or functionality of the Miner US Services. You agree that Miner US is not obligated to (i) use any updates or (ii) add any specific part, feature or functionality of the Miner US Services. You also agree that all changes will be deemed integral to the Miner US form and (ii) subject to these Terms.

If you violate these Terms, including, but not limited to, for example, if you violate any of the terms of these Terms for legal reasons arising from anti-money laundering and knowledge of your policies and procedures in relation to customers or any other applicable rules, all rights and obligations between you and Miner US arising from these Terms will automatically terminate if you fail to comply with these Terms within 8 days after you were warned by Miner US of the violation and gave 8 days to remedy the violations. Miner US reserves the right to maintain these rights and obligations despite your violation of these Terms.

In the event of termination of the agreement, Miner US will attempt to return to you any funds held in your Miner US wallet that do not belong to Miner US, unless Miner US believes that you have committed fraud, negligence or other illegal activity. You acknowledge that Miner US services and Miner US wallet may be suspended for service.

Technical information about hashing power transactions, including information about selected server locations, algorithms used, selected mining pools, your business or activity, including all financial and technical information, technical specifications, technology along with all details of prices, current transaction performance and future business strategy, is confidential information and trade secrets. Miner US maintains the confidentiality of all previously mentioned information and does not disclose, summon or permit the disclosure of this information to any person without your permission, unless such disclosure is solely intended to enable you to perform or perform any- either your obligation under these Terms, or to the extent that there is a compelling legal requirement for you or Miner US to do so; or

when the information has become public domain other than as a result of a breach any of the terms of these Terms. Miner US has no right to use any of these confidential information and trade secrets other than during the term and in accordance with these Terms, and then only for the purpose of fulfilling its obligations under these Terms.

8.PRIVACY POLICY

Please, see our Miner US Privacy Policy posted on the Miner US official page for information on how we collect, use and share your information, and what options you have with respect to your personal information.

9.COMMUNICATION AND SUPPORT

You agree and agree to receive electronically all communications, agreements, documents, receipts, notices and disclosures that Miner US provides in connection with your Miner US Account or use of the Miner US Platform and Services. You agree that Miner US may provide you with these communications by posting them through your Miner US Account or by emailing you to your specified email address. Furthermore, you must keep copies of emails by printing a paper copy or keeping an electronic copy.

It is your responsibility to ensure that your email address is updated in your Miner US account so that Miner US can communicate with you electronically. You understand and agree that if Miner US emails you, but you do not receive it because your email address is incorrect, outdated, blocked by your service provider, or you are otherwise unable to receive an email, this will be considered, that you have been given a message. You can update your Miner US account settings at any time by logging into your Miner US account. If your email address becomes invalid and emails sent to you by Miner US are returned, Miner US may consider your account inactive and close it.

You can notify Miner US of this in accordance with these Terms by sending an email to miner_us@outlook.com or contact Miner US through the support located on the Miner US platform. All communications and notices under these Terms must be in English.

10.FINAL PROVISIONS

Individuals and legal entities without legal rights and obligations are not allowed to create a Miner US account and use the Miner US platform or other related services. If Miner US becomes aware that such an individual or legal entity has created a Miner US Account or has used Miner US Services, Miner US will delete such Miner US Account and deactivate any

Services and block access to the Miner US Account and Miner US Services for such individual or legal entity.

If you register to use the Miner US Services on behalf of a legal entity, you represent and warrant that (i) that legal entity is properly organized and legally exists in accordance with the applicable laws of the jurisdiction of its organization; and (ii) you are duly authorized by such entity to act on its behalf.

These Terms do not create any third party beneficiary rights for any natural or legal person.

These Terms constitute the entire agreement and understanding pertaining to the subject of this Agreement and supersede any previous and current agreements, understandings or understandings pertaining to the subject of this Agreement, excluding any terms implied by law that may be excluded by the contract.

If at any time any provision of these Terms is or becomes illegal, invalid or unenforceable, the legality, validity and enforceability of all other provisions will not be violated in any way. Such illegal, invalid or unenforceable provision of these Terms shall be deemed amended and superseded by such lawful, valid and enforceable provision or agreement that is as close as possible to our and your will and business purpose pursued and reflected in these Terms.

Section headings are for convenience only and should not be used to limit or interpret such sections.

Any failure or delay in enforcement, on our part, of any right or remedy should act as a waiver, and no physical or partial exercise of any right or remedy should prevent further or other enforcement. To enforce those rights or remedies or to enforce any other rights or remedies.

Miner US reserves the right to make changes, additions or modifications to these Terms from time to time, including, but not limited to, changes to the Miner US Mining software license agreement and any fee and compensation policies, in its sole discretion and for any reason. We encourage you to periodically review these Terms for changes. If we make changes to these Terms, we will provide you with notice of such changes, for example by sending an email, providing notice on the Miner US Platform, posting a pop-up after logging into a Miner US Account, or posting the amended Terms on the Miner US Platform and updating the date at the top of these Terms. The amended Terms will be effective immediately upon posting to any new user of Miner US Services. In all other cases, the modified Terms will take effect for pre-existing users from the moment: (i) the date that users click or click a button to accept such changes in their Miner US account, or (ii) continue to use the Miner US Services after 30 days after Miner US notifies of such changes. Any modified terms will apply prospectively to the use of Miner US Services upon the entry into force of such changes.

Notice of changes to these Terms is considered to be a notice of termination of all rights and obligations between you and Miner US arising from these Terms, with a 30-day notice period if you do not accept the modified Terms. If you disagree with any of the amended Terms, (i) the agreement between you and Miner US terminates upon the expiration of the 30-day

period starting after Miner US provides you with notice of the change to these Terms, (ii) you must terminate use of the Miner US Services; and (iii) you must inform us of your disagreement with the changes and request that your Miner US account be closed. If you do not inform us of your disagreement and do not request the closure of your Miner US account, we will assume that you agree to the amended Terms. You may not assign or transfer your rights or obligations under these Terms without the prior written consent of Miner US. Miner US may assign or transfer any or all of your rights under these Terms, in whole or in part, without obtaining your consent or approval.

The rights and remedies granted to Miner US by or under these Terms are cumulative and in addition to, without prejudice, all other rights and remedies that are otherwise available to Miner US by law.

These terms are not generic. If you disagree with any of them, feel that they should not apply to you, or wish to discuss these Terms, please contact Miner US and leave the Miner US platform immediately. Do not use Miner US or other related services until you and Miner US agree to new terms of service.
